Dear Friends,

Believe it or not we are halfway through the summer and nearing towards the high holidays in September. Our clergy and staff are already planning to ensure that everyone can enjoy a meaningful 5784 festival season.

Each year the temple relies on the generosity of our members to enhance our services; we ask for sponsors to beautify the synagogue, provide children's services, and add ambiance and sentiment to our services. If you are interested in supporting our synagogue's 5784 High Holiday Services, please contact Meredith at the temple (561-793-2700 or office@templebethtorah.net).

- High Holy Day Bimah Flowers: \$2000 (4 donations of \$500)
- The publication of our HHD Greeting/Memorial Booklet: \$750
- Our cherished violinist for our Kol Nidre service: \$750
- Our accompanist Anne Hiasnicek: \$2,000 (4 donations of \$500)
- Selichot Programming: \$250

We are so fortunate that our Family of Families can share the High Holy Days together and wish you all a wonderful and sweet year ahead!

L'shalom,
